    class particles_StateObject["particles::StateObject"]
    class particles_HypersphereState["particles::HypersphereState"]
    particles_HypersphereState --|> particles_StateObject
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "particles::StateObject". Below it is a gray rectangular box with a black border containing the text "particles::HypersphereState". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "particles::HypersphereState" inherits from "particles::StateObject".
