

CollectionGenerator.hpp

```
graph BT; HexPacker_hpp[HexPacker.hpp] --> CollectionGenerator_hpp[CollectionGenerator.hpp];
```

The diagram illustrates a header file dependency. A box labeled 'HexPacker.hpp' at the bottom has a blue arrow pointing upwards to a box labeled 'CollectionGenerator.hpp' at the top. The 'CollectionGenerator.hpp' box has a gray background, while the 'HexPacker.hpp' box has a white background. Both boxes have a black border.
